

SHANMUGAM M

SOFTWARE ENGINEERING STUDENT | FULL STACK DEVELOPER

Phone: +91 90801 43826 | shanmugaminjs@gmail.com

CAREER OBJECTIVE

Motivated Information Technology student with a strong foundation in Java, JavaScript, full-stack web development, and modern software engineering practices. Seeking an entry-level software development opportunity to apply problem-solving skills and hands-on knowledge of React.js, Spring Boot, MongoDB, and Git while contributing to scalable, user-focused software solutions and continuously strengthening technical expertise in a collaborative development environment.

EDUCATION

B.Tech. Information Technology	2023–2027
Sree Sakthi Engineering College	CGPA: 7.6
Higher Secondary Certificate (HSC)	2021–2023
Government Higher Secondary School, Ponparappi	Percentage: 83.33%
Secondary School Leaving Certificate (SSLC)	2020–2021
Government High School, Periyakkurichi	

TECHNICAL SKILLS

Programming Languages: Python, C++, Java, JavaScript

Web Technologies: HTML5, CSS3

Frameworks: React.js, Spring Boot

Database: MongoDB

Tools: Git, GitHub, VS Code

PROJECTS

Smart Expense Tracker

Full Stack Web Application

- Developed a full-stack expense management application that enables users to record, categorize, update, and track daily financial transactions through a responsive interface.
- Built an interactive frontend using React.js and designed backend services with Spring Boot for managing expense data and application logic.
- Integrated MongoDB for persistent data storage and implemented category-based expense tracking to provide users with a clear view of their spending patterns.

Task Management Web Application

React.js | Spring Boot | MongoDB

- Developed a task management web application that allows users to create, update, delete, and organize tasks based on priority and completion status.
- Built reusable React.js components for a responsive user interface and implemented RESTful backend APIs using Spring Boot.
- Integrated MongoDB for task persistence and implemented filtering features to manage pending and completed tasks efficiently.

CERTIFICATIONS & TRAINING

Frontend Development Certification – KGiSL Institute of Technology	2025
Full Stack Development Training – VEI Technologies	2025
Artificial Intelligence Internship – GrowAiTech	2026

SOFT SKILLS

- Problem Solving
- Teamwork
- Communication
- Adaptability
- Time Management
- Continuous Learning

LANGUAGES

Tamil | English
